**Important note:** In the 2022 budget, we are changing the way we budget for the Bank of America Grant expenses. In prior years, these expenses have been budgeted for in the Stephens Change in Book Value line item. Our accountants have advised us that this is not their preferred means of budgeting. Therefore, all Bank of America Grant expenses are budgeted for in a separate line item. The Stephens Change in Book Value and Bank of America Grant expense lines have been modified for prior years to provide more accurate comparison among budget years.
