Expanding Volunteer Attorney Network

The program's outreach efforts have yielded growth in pro bono participation. Twenty-seven new pro bono attorneys joined FLA in 2024, with five additional attorneys already onboarded in 2025.

Partnerships have been established with various institutions to enhance visibility and accessibility. These include arrangements with the Washington County Library, Fayetteville Public Library, Dee Brown Library, Maumelle Library, and other facilities within the Central Arkansas Library System to display Free Legal Answers materials.

FLA has also strengthened academic connections, collaborating with Bowen School of Law Professor Anastacia Green to incorporate Free Legal Answers as a practical learning experience for law students. Two presentations were hosted at the University of Arkansas School of Law to recruit volunteer law students.

Thank you to all our dedicated volunteers and partners who continue to expand access to justice through Free Legal Answers.
